APHA Health Workforce Training Survey Results

Earlier this year APHA carried out a member survey to find out how much health workforce training is taking place in private hospitals. The results of the survey show that APHA member hospitals are providing an impressive 9 million student and staff hours of training per year. A breakdown of the results can be found on the APHA website.

Federal Minister releases “Roadmap” to health reform

A “Roadmap to Reform” was released last week by the Minister for Health and Ageing, Nicola Roxon. The document sets out an indicative timetable and implementation plan, detailing when and how the government’s health reforms will be implemented. According to the document, the elective surgery National Access Guarantee, that will see rapid treatment in a public or private hospital for patients who have waited longer than the clinically recommended time, will be implemented in stages from 1 July 2012. A full copy of the Roadmap document can be downloaded from the yourhealth.gov.au website by clicking the link below:
