

20 May 2012

### **PHIAC Data – Headlines from March Quarter 2012**

The Private Health Insurance Administration Council (PHIAC) released its quarterly statistics for the March quarter of 2012 on 15th May 2012. To read the highlights go to the members area of [www.apha.org.au](http://www.apha.org.au).

### **AIHW report available**

The “**Public and private sector medical indemnity claims in Australia 2009-10**” report is now available from the Australian Institute of Health and Welfare (AIHW) website: <http://www.aihw.gov.au/>, AIHW catalogue number **(HSE 120)**.

### **Orion Health APHA Platinum Associate Member– see attachment**

Orion Health is one of APHA’s valued Platinum Associate members. As a member benefit, APHA sends information once a year from our Platinum Associates that may be of interest to our mailing list. Orion Health is a world leader in the e-health industry. Every day over 300,000 clinicians in 35 countries use Orion Health products to improve clinical workflow, decision-making, and most importantly patient care.

Using Orion Health solutions, customers have reduced operational costs and risk; improved patient safety; and improved communications across their organisations and between primary and secondary care.

For more information read the attachment or click: [www.orionhealth.com](http://www.orionhealth.com).

### **On the Radar – Issue 79**

*On the Radar* is a summary of some of the recent publications in the areas of safety and quality in health care. Inclusion in this document is not an endorsement or recommendation of any publication or provider. Some of this week’s edition includes:

*Overcoming challenges to improving quality: Lessons from the Health Foundation’s improvement programme evaluations and relevant literature*

*Can patients report patient safety incidents in a hospital setting? A systematic review*

*Findings from a national improvement collaborative: are improvements sustained?*

*On the Radar* is available via email or as a PDF document from <http://www.safetyandquality.gov.au/publications-resources/on-the-radar/>
