Dear Prof Schwartz

APHA Submission to the Independent Review of Nurse Education: Educating the Nurse of the Future

Thank you for the opportunity to comment on the Independent Review of Nurse Education: Educating the Nurse of the Future.

APHA is pleased to provide a response to selected terms of reference and also, by way of background, an extract from a 2017 report produced by the Australian Private Hospitals Association (APHA) and Catholic Health Australia (CHA) entitled *Education and training in the private hospital sector*.

We would be happy to meet with you at any stage to provide further assistance to the Review.

Yours sincerely
